

**ATTACHMENT B**  
**Remarks**

By this amendment, without addressing the merits of the pending rejection, and in an effort to expedite allowance, Applicants have cancelled without prejudice non-allowed claims 5-8 so that only allowed claims 1-4 remain in the application. Applicants will address the merits of the rejection at such time as a continuing application is filed with regard to the non-allowed subject matter. In addition, to expedite allowance, Applicants have also canceled withdrawn claims 9 and 10 without prejudice to pursuing this subject matter in divisional applications.

Accordingly, upon entrance of the present amendment, the application will only contain allowed claims and will thus be placed in condition for allowance. Entrance of the amendment and allowance of the application is thus respectfully requested.
